College Girls

It's HARD

enough to keep your mind on quantum physics and Byzantine architecture when you're surrounded by the everyday distractions of twenty-first century life, but throw a few hot coeds into the mix and total concentration is as hard to come by as a firefly in mid-December. Here's a selection of booksmart beauties who've lowered college GPAs from New York, Texas, California and points in between.

STATS: 5'5", 107 lbs., 36B-24-34
MAJOR: Advertising

"It's really important to be yourself on a first date because you'll always have to act like the person he first met. Fake it now and you're going to have to fake it later—maybe forever.

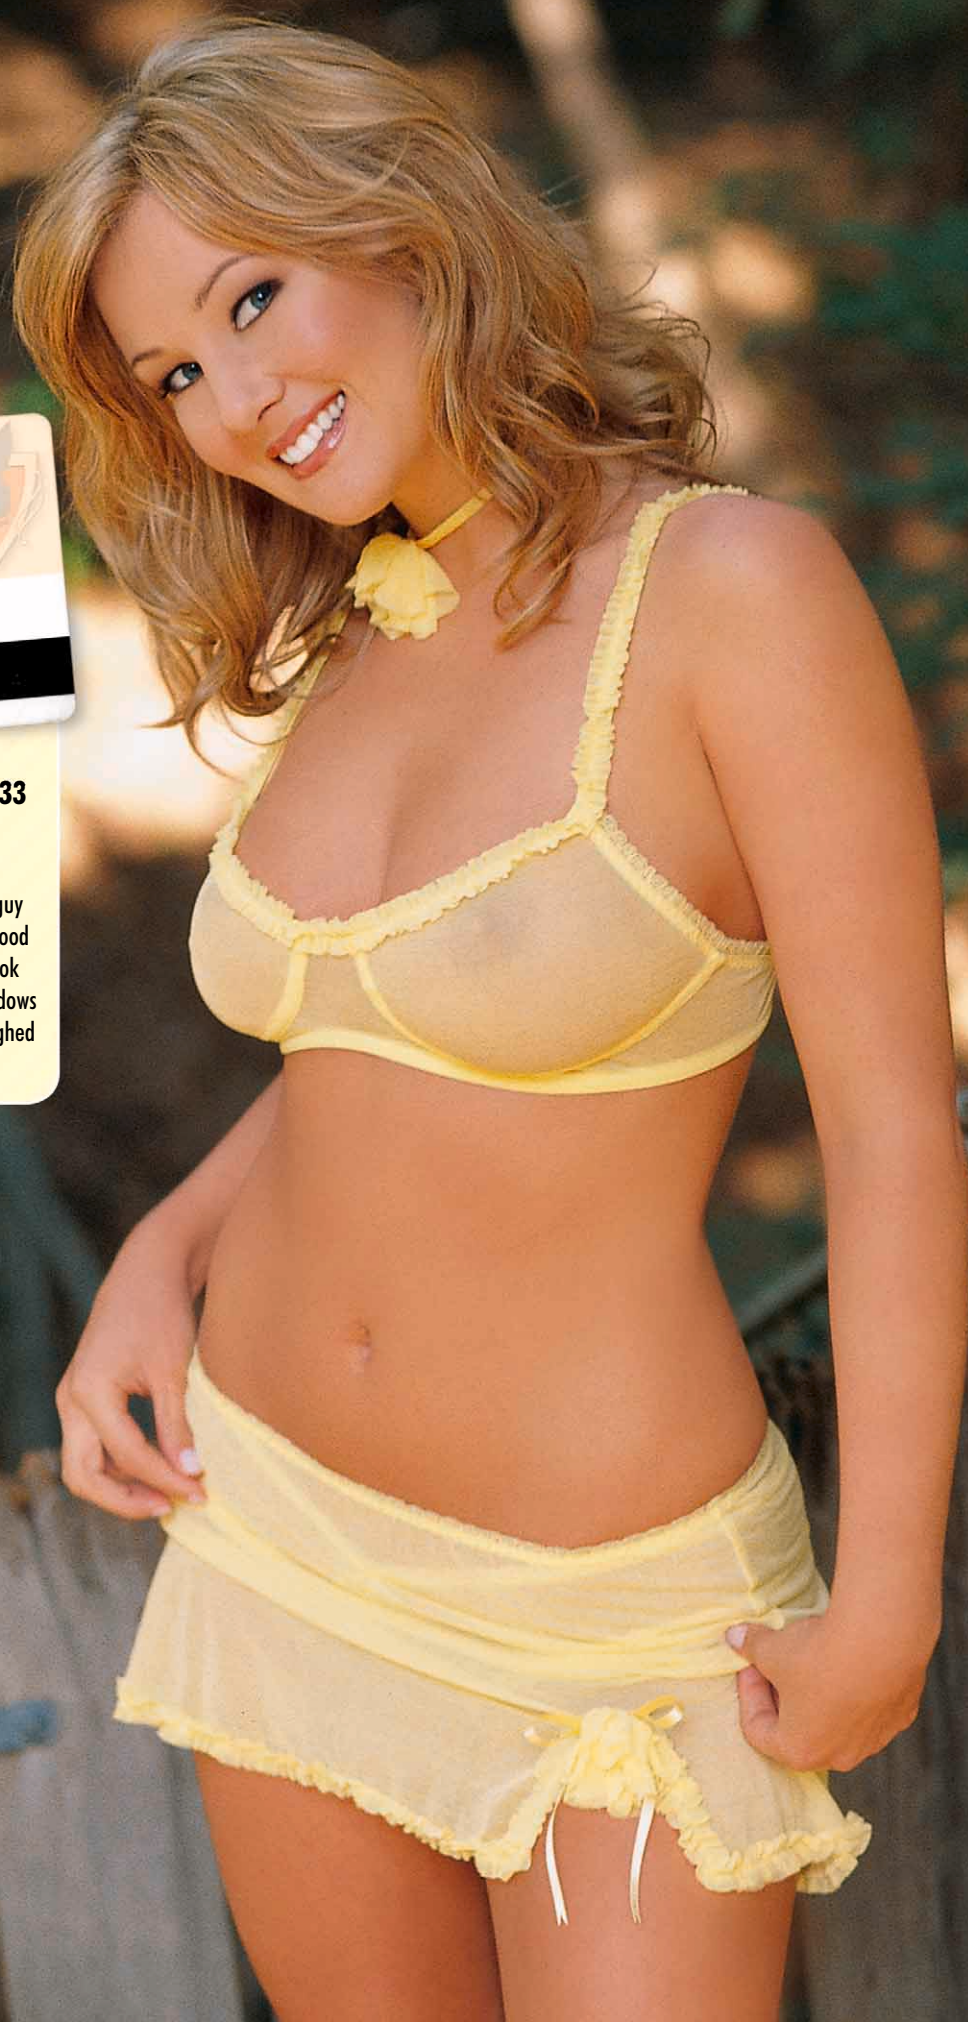

STATS: 5'4", 115 lbs., 32D-24-33
MAJOR: Undecided

"The best dates are the ones where the guy plans something designed to be fun. A good example of that was the time my date took me to a drive-in movie. We shut the windows and made up our own dialogue. We laughed ourselves silly the entire time!"

STATS: 5'5", 120 lbs., 34B-25-36
MAJOR: Pre-pharmacy

Airlift: During the Vietnam War my uncle landed a helicopter right in my grandpa's backyard. The whole family hopped in, and that's why I'm here today!

I am: A bookworm, so talk nerdy to me.

Match: Someone smart, honest and funny—with a huge penis! **Mismatch:** Someone rude and smelly. **At leisure:** Leisure? What leisure? I'm a nerd, remember? **Indispensable:** Chocolate and lasagne.

STATS: 5', 115 lbs., 34-26-34
MAJOR: Theater arts

"I'm happiest when I'm in a relationship, so I don't date that much. I look for guys who are funny, romantic, easygoing and have a sense of style and I avoid guys who are judgmental, unoriginal or needy."

STATS: 5'5", 125 lbs., 34D-24-34
MAJOR: Art

"I grew up in Texas with brothers as playmates, so I became a tomboy. Before long I discovered boys and quickly turned into a girlie-girl. But even as a grown-up I still like to play and wrestle."

STATS: 5'5", 120 lbs., 34B-26-34
MAJOR: Marketing

I was: Athletic, hyper, energetic. **I am:** Still athletic, a shopoholic and fun—but a little cautious. **Sports fan:** I enjoy playing golf and soccer. **Bad habits:** Frowning, swearing and drinking too much. **If I could:** I'd have a threesome with two hot guys! **Match factor:** I like men who are well liked by other people and who can socialize with new people easily. **Posing thoughts:** I hope I don't look fat! **Personal motto:** No regrets.

STATS: 5'3", 130 lbs., 38DD-27-38
MAJOR: Pre-med

"I've always loved helping people. Going into medicine was based on that desire—becoming a doctor would allow me to give back to those who've been there for me and would let me help those who can't help themselves. I'm especially focused on challenged kids."

STATS: 5'3", 120 lbs., 34C-25-35
MAJOR: Art education

Career goal: To keep on studying art history so I can pass on my love of art. **Then:** I was super shy, reserved and very smart. **Now:** Fierce, ambitious, determined—and ready to take my clothes off! **At leisure:** I paint, write, play the piano, taste new wines, try new restaurants and bowl. **Bragging rights:** I got a 4.0 last semester, speak perfect Spanish and scored sixth in the country on the French national exam.

STATS: 5'5", 115 lbs., 34B-25-35
MAJOR: Education

Career goal: To become a high school history teacher. **Turn-ons:** Chocolate and tiramisu. **Turnoffs:** Smokers, showoffs and seafood. **Date expectations:** A great date would include flowing champagne, some Barry White, a candlelight dinner—and don't forget tiramisu for dessert! **Current wheels:** An '00 white BMW. **Dream machine:** A Mercedes CLK convertible.

STATS: 5'3", 105 lbs., 32D-25-33
MAJOR: Communications

"My friends were probably shocked to find out I posed. I'm a pretty conservative person and stay covered up most of the time, but I'm OK with nudity when it's done right. My posing experience was great, and I was amazed at how supersexy I felt—both inside and out."

STATS: 5'3", 110 lbs., 34C-24-34
MAJOR: Liberal arts

Career goal: To have a lucrative modeling career, then become a kindergarten teacher.

Then: I was a girlie-tomboy—totally into anything pink, but I also loved dirt, GI Joes and climbing trees. **Now:** The same. I still love pink and frilly things and I love riding dirt bikes. **Behind my back:** They say I'm a dork. **Family matters:** My dad is 76 and my mom is 40. I was the first in a family of seven to be born outside Barcelona, Spain.

STATS: 5'2", 100 lbs., 34B-25-29
MAJOR: English

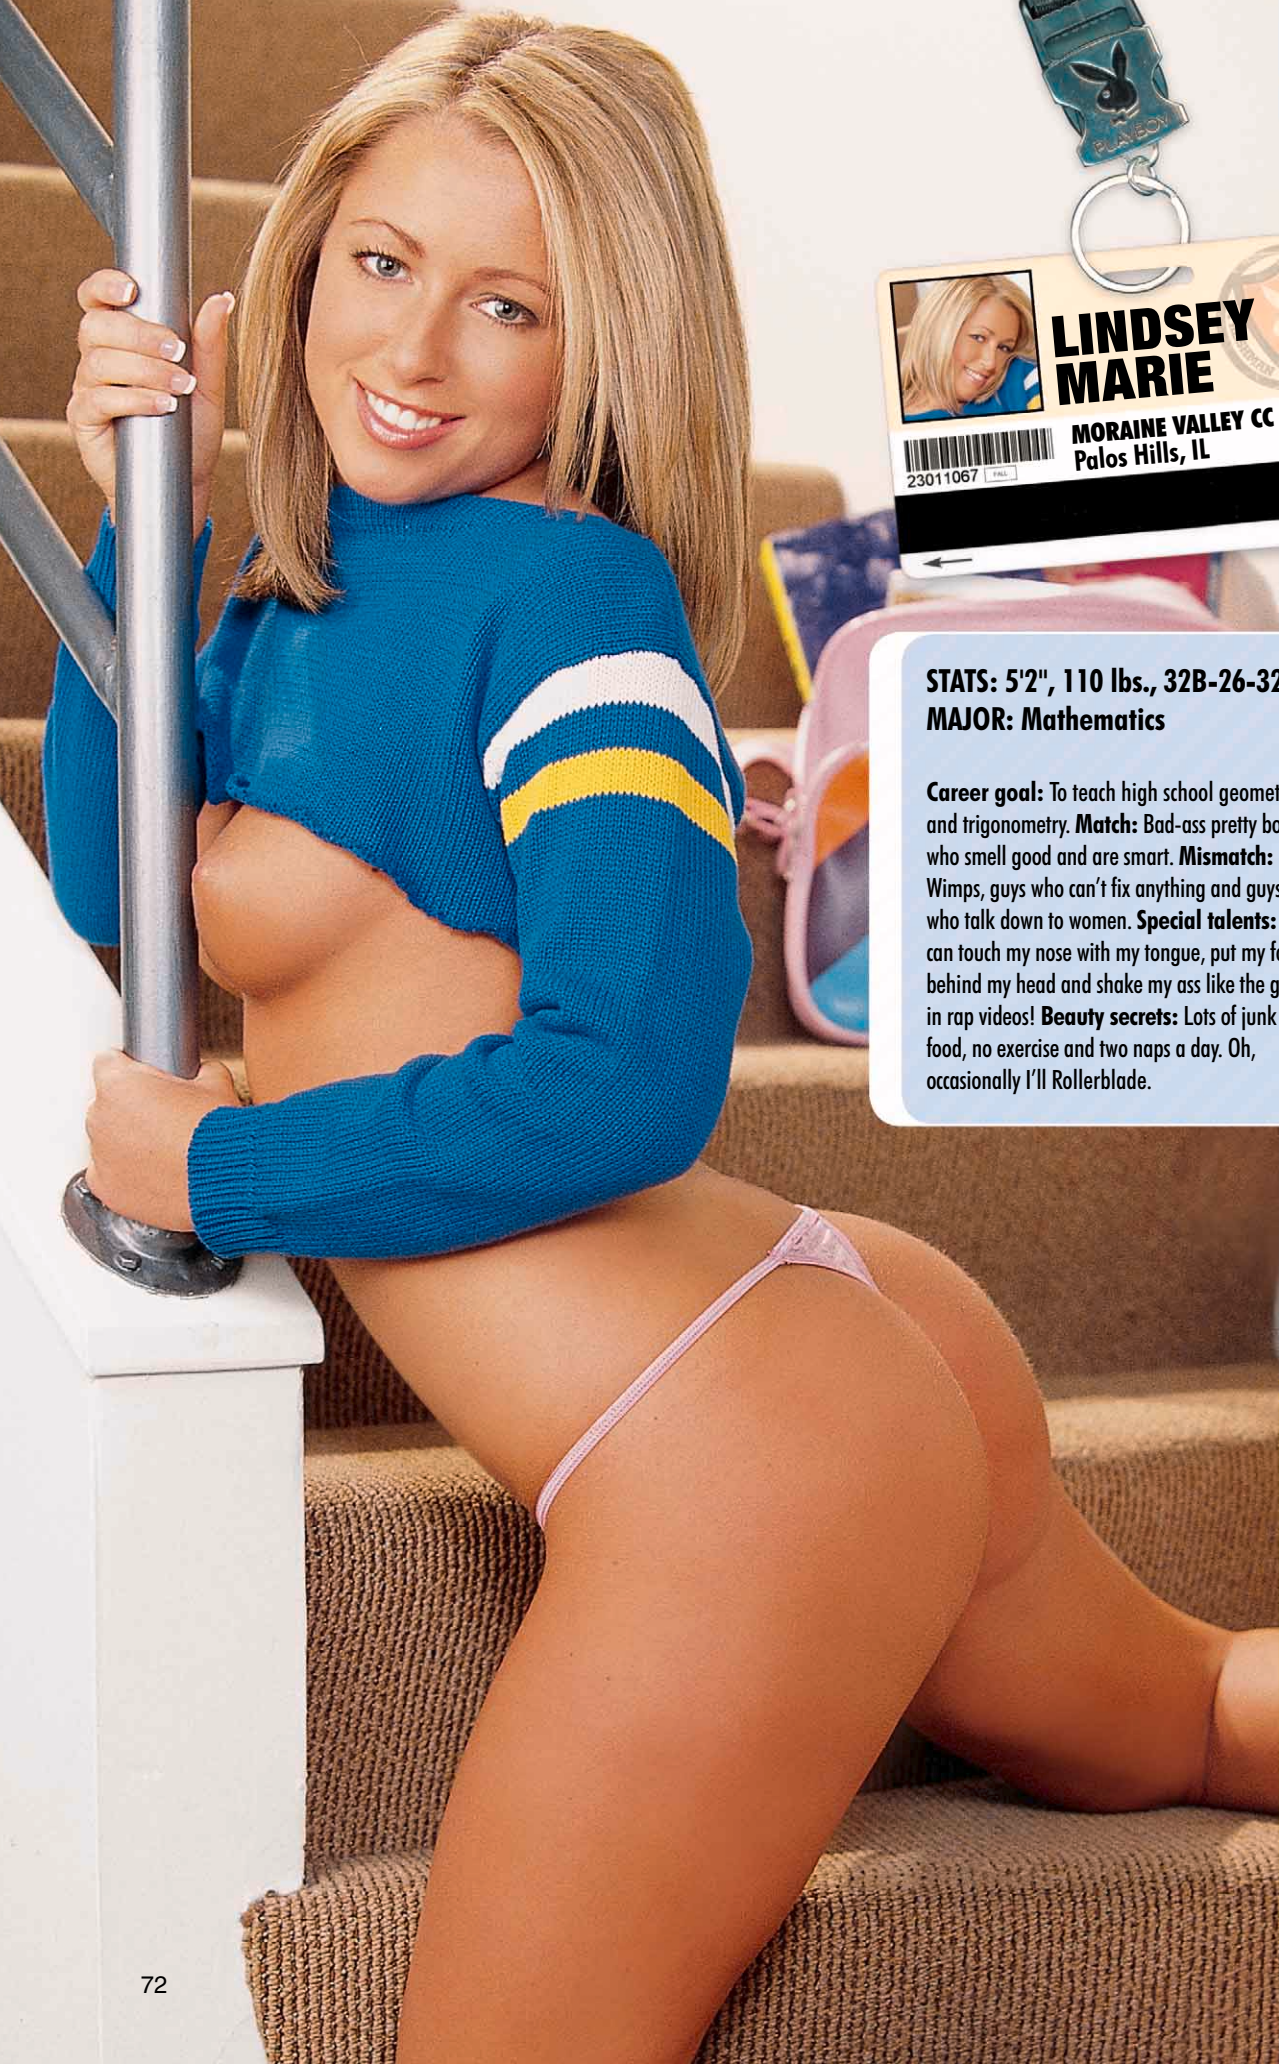

"Appearing in Playboy has been a lifelong dream, something I'm very passionate about. Shooting was fun, everyone was great, everything on set was amazing—except for those crazy stilettos that made my legs shake!"

STATS: 5'2", 110 lbs., 32B-26-32
MAJOR: Mathematics

Career goal: To teach high school geometry and trigonometry. **Match:** Bad-ass pretty boys who smell good and are smart. **Mismatch:** Wimps, guys who can't fix anything and guys who talk down to women. **Special talents:** I can touch my nose with my tongue, put my foot behind my head and shake my ass like the girls in rap videos! **Beauty secrets:** Lots of junk food, no exercise and two naps a day. Oh, occasionally I'll Rollerblade.

"I'm a huge party animal. I enjoy reading, too, so I'll always bring a book along with me wherever I am and read a few pages—at least until the party starts!"

**CASSANDRA

STATS: 5'11", 129 lbs., 36B-24-32

MAJOR: Physical education

"I've always been interested in physical fitness—not only to keep myself in great shape but to help others develop and maintain a healthy body. My goal is to teach P.E. to high school kids so they learn good habits early."

STATS: 5'7", 130 lbs., 32-23-33
MAJOR: Forensics

"I was a sheltered, dorky kid who grew up into an energetic, fun-loving, kind-hearted—but still dorky—adult. I've always wanted to help people, which is why I'm hoping to become either a homicide detective or forensic scientist."

PLAYBOY

STATS: 5'10", 129 lbs., 34C-25-35
MAJOR: Marketing

"I let off steam by going to the gym and weightlifting next to the body-builders. Or I might go for long drives while listening to some hot music. I'm originally from Arkansas and Mississippi, so that usually means Tim McGraw or anything country."

STATS: 5'1", 95 lbs., 34-24-34
MAJOR: Nursing

I am: Pretty quiet until I get to know you—then I can get crazy! **Favorite sport:** I guess basketball—I suck at everything else. **Date disaster:** The guy took me to the movies with all of his friends. He bought popcorn for himself and shared it with his buddy but didn't offer me any. How rude! **Seeing double:** Twins run in my family. **Motto:** Never give up.

PLAYBOY ON CAMPUS

COED CONFESSIONS

YEN HOANG

The best part of college life: That the schedule is so relaxed I can spend most of my time doing what I love best—sleeping. **The worst:** It's a very large campus, so my 5K hike to class every morning is a trudge. **Campus temptation:** The urge to party hearty and drink Bacardi! My studies are definitely at risk if I give in. **Music scene:** I love to dance to hip-hop—my first choice for good booty shakin'! **Rate a date:** One of my best dates started out on the beach at night. We ended up coming home crawling with sand mites, so we stopped at a convenience store and flea-bombed the car. It was a hoot—but I guess you had to be there!

AMANDA QUAGLIATA

Study distraction: My need for sleep. When it's late at night and you know you have to study for your big final the next day but all you can think about is how tired you are—well, I would opt to sleep and receive a bad grade rather than study all night and be tired during my final. **Music to my ears:** I really like listening and dancing to rap and hip-hop, but I also like listening to Latin music because it helps me brush up on my Spanish and reminds me of when I studied abroad. **What my parents don't need to know:** Not much surprises my parents about me anymore because I've done a lot—I think I've used up my shock allotment! What surprises me more than it does them is how little I've studied and what good grades I've gotten!

LINDSEY MARIE

Upside: I like meeting new people all the time—especially boys. **Downside:** A lot of the boys I meet are more interested in studying than hanging out having a good time! **Taste in tunes:** Rap music. It gets me in the mood to party. **Parental disapproval:** I'm very open with my parents—there's not much they don't know—but they aren't huge party animals, so I don't think they would be ready to see me get crazy during a night of partying.

NAKED TRUTH: INBOX

FROM: S.C. Subject: Basic beauties

It is very refreshing to see that most of the girls in your recent issue of *College Girls* have resisted the seduction of surgically enhanced sexiness. Your SEs showcase plenty of gorgeous girls, but it's the homegrown beauty of coeds Tiffany Bastow (left), Kate Brenner and Tara McKenzie that will definitely keep me coming back for more. Thanks!

FROM: M.J.B. Subject: Cowboy cutie

The hot pics of Kat Duplessis in your most recent issue of *College Girls* were incredible. The way she rocked that cowboy hat and those boots should be illegal in every state.

FROM: Mr. D. Subject: Tawni scores a TKO

I am sitting here slack-jawed while staring at Tawni Aretta in your recent issue of *College Girls Nude*. What a knock-out—athletic body, smoldering eyes and legs that just don't quit! She is definitely going places and Playboy will be her springboard.

PARTY!!!
SATURDAY
Room 3404

A closed mind is like a closed book.
Just a block of wood.

Playboy has long been a supporter of college athletics, hot coeds and cool brews. Below we've profiled a couple of our favorite college sports towns with school spirit:

HOT SPORTS SPOTS

COLLEGE SPORTS TOWNS WITH COOL HANGOUTS

UNIVERSITY OF WISCONSIN - MADISON

Voted number one on the *Sports Illustrated On Campus* list of best college sports towns, Madison, Wisconsin is home to the Badgers. Camp Randall, their horseshoe-shaped football stadium, welcomes 75,000+ wild fans for every home game.

KOLLEGE KLUB: For over 50 years the KK has earned its reputation as *the* hardcore party bar near campus. Nearly every night, sorority girls, frat boys, athletes and "jersey chasers" flock inside for cheap beers on tap and plenty of R-rated antics. In fact, Playboy named this hangout one of the best pick-up bars in which to meet Mr. or Miss Right now.

Sources: *Sports Illustrated On Campus*; Playboy.com. Dixie Chicken photo courtesy of www.brazosvalleydesign.com.

TEXAS A&M

College Station, Texas is home to the Texas A&M Aggies where athletics rule. It's estimated that more than 30 percent of the student body participates in some form of intramural sports.

THE DIXIE CHICKEN: Playboy was so impressed with The Chicken's claim that they sell more beer per square foot than any other bar in Texas that we named it the number one college bar in America a few years back.

Attention Coed Cuties!

ARE YOU HOT ENOUGH FOR PLAYBOY?

Send us the information outlined here, or contact Special Editions via mail, phone, fax or e-mail or log on to www.playboyse.com for more details. Once you've completed your assignment, kick back and pop open a cold one. Cheers!
